Dear Mark:

Grace and Peace be yours from God the Father and our Lord and Savior Jesus Christ.

Please allow me to express my deepest gratitude for your generosity and kindness. You have truly been a blessing to me and to the St. Nicholas Parish community. I cannot express to you the deep gratitude that I have for you and the ways that you have helped us. Your support and commitment aid us in truly being a witness of God's love and hope for our community. It is through kind and generous persons such as yourself that we are able to accomplish our goals as we seek to reach out to the St. Louis community. Be assured of my prayers for you. You are truly a sign that: "God is Good All the Time, and All the Time God is Good."

Thank you again.

Sincerely Yours in the Divine Word.
