Mr. Mark Kamp
Wachter, Inc.
108 Industrial Drive
Arnold, Missouri 63010

Dear Mr. Kamp:

On behalf of the Ladue City Council and the residents of Ladue I would like to thank you for the outstanding Police Building your company built for us. The building has been well received by residents, city officials and employees as a positive addition to our City Hall complex.

This project would not be the success it is without your involvement and that of Dale Schultemrich. Dale's oversight on a daily basis and ability to move the project forward were critical in completing our new Police building.

Thank you again for a job well done.

Sincerely,

Jean B. Quenon
Mayor
